## Wishing **Henk Janssen** a Happy Retirement

After two and a half remarkable decades of dedication, oversight, and long-standing commitment to Topigs Norsvin South Africa - and an extraordinary **45-year** career with Topigs Norsvin International - we bid a heartfelt farewell to Henk Janssen, our Area Manager, whose impact on our organisation and the broader industry can only be described as transformational.

For **26 years**, Henk has been more than a manager; he has been a mentor, a guide, and a steady hand ensuring that our operations remain aligned with the highest standards of excellence. His deep industry knowledge, strategic leadership, and genuine passion - not only for the business but for the people behind it - have played a crucial role in shaping the organisation we are proud of today.

Henk's leadership journey has been marked by integrity, collaboration, and a drive to move the business forward. From spearheading key developmental initiatives to fostering strong relationships across teams and clients, his influence has left a lasting impression on our people and our progress.

As Henk steps into retirement, we extend our sincere gratitude for his outstanding contribution and wish him nothing but fulfilment and joy in this new chapter. His influence will continue to guide us as we build on the foundation he helped establish.

**To Henk:**

**Thank you for your commitment, your guidance, and your belief in Topigs Norsvin South Africa. Your 26 years of dedication have been invaluable, and while your journey with us may come to an end, you will always remain part of our story. From all of us at Topigs Norsvin South Africa, we wish you a well-deserved and happy retirement!**
